CULTURAL ADJUSTMENT IN AND OUTSIDE THE CLASSROOM

Adjusting to a new culture can be difficult, so let us help you make it a bit easier for you! In this session, you'll gain valuable tips and insights on navigating cultural differences, explore the U.S. classroom culture, and academic integrity to understand the expectations and norms of academic life.

MAKING PAYMENTS

When is my first tuition and fee payment due? What are the different options I can pay with? This session will provide detailed guidance on payment methods, deadlines, and managing your bursar account efficiently. Best part? A representative from the Bursar Office will be presenting and can answer questions!

U.S. LAWS AND PERSONAL SAFETY

Okay, we know this isn't the most appealing title for a session, BUT it's just as important! You'll gain insights of common U.S. laws and regulations!

START SMART: FIND YOUR CLASSES

Need help locating your classes? Bring your schedule and we can help point out where they are located so you can prepare for your first day of classes!

KROGER TRIP & WHITEWATER STATE PARK

We will be taking the Jagline to Kroger, there will be an opportunity for you to explore the store through our mini scavenger hunt, and we will return to White River State Park for a fun social using the food we got through the scavenger hunt. (Please note: this excursion is not a shopping trip, rather it is an opportunity for you to learn how to get there and browse the store as a group).
