The IU Indy H-1B Information about the University Position e-form will route to Export Control. Once all the required e-forms in the request are submitted, the IU Indy Departmental H-1B Compliance Certification e-form will become available for you to complete. Once the e-form is submitted, it routes to the Department/Division Head for approval.

Finally, the e-form request will route back to OIA. At this point, the case is received by OIA.
